3. Care Network/IDS (slides 2-6)

- The Integrated Delivery System (IDS) is the working arm of Community Action Information Board (CAIB).
- IDS develops comprehensive, coordinated planning for integrating and implementing community outreach and prevention programs; improve delivery of human service programs by establishing a seamless system of services through collaborative partnerships and coordinated activities.
- The Community Action Information Board's role is to identify individual, family, installation, and community concerns and develop solutions.
- Next CAIB is scheduled for 12 June at 1400hrs in the Dix Command Conference Room bldg 5435.

4. JB MDL Resiliency Strategy Progress (slides 7 & 8)

- Resilience Pathways' current status is 593 for CY14.
- Frontline Supervisor all E-5/6s trained is currently 76%.
- Current status for MRT Resilience Training is 15 MRTs trained.

5. IDS Initiatives

- Resilience training initiatives are currently g2g. This includes Spouse and Teen Resilience training.
- Resilience Pathways is still working towards being a fully implemented website with agency buy-in. Also, coordinated marketing and active recognition program for Resilience Pathways is still ongoing.
- JB MDL Resilience website is g2g.
- JB MDL Community Action Plan initiatives are partially g2g. Road map for focused shared efforts aimed at supporting and improving resilience, readiness, well-being and quality of life among Service members, families and civilian employees on JBMDL is still ongoing.

6. CAF Funding (slides 12 & 13)

- NAF requests reviewed. Thus far, \$5,002.95 have been executed out of \$15,999.95 allotted.
- For CY2014, CAF funding will be postponed until after CAP. The money will be tied to CAP outcomes.

7. Suicide Prevention Checklist (Slides 14-16)

- Suicide Prevention Checklist was reviewed.
- Policy memos regarding the AFSPP and suicide awareness messages from senior leaders were disseminated across the installation in the past year.
- Commanders on the installation did publicly encourage early help seeking behavior (CC calls, Sq emails, etc).
- Professional military education courses conducted on base (FTAC, ALS, SNCOA, etc.) did include suicide prevention training IAW AFI 90-505.
- Commanders and first sergeants were trained by mental health personnel on the use of mental health services at least once per current assignment.

- Installation mental health personnel did code time spent on suicide prevention activities as FAZY in the DMHRSI system for MEPRS reporting.
- All military/civilian personnel did accomplish required annual suicide prevention training.
- The following installation personnel were educated about the AF investigative interview policy at least once per current assignment: Commanders, first sergeants, supervisors, OSI, SFS, IG, EEO, JA, HC, MDG, and Mental Health.
- The base did have a fully trained Traumatic Stress Response (TSR) Team IAW AFI 44-153.
- The installation CAIB and IDS did monitor suicide statistics, track suicide prevention training, and ensure the full implementation of the 11 elements of AFSPP.
- All AF (AD, Guard, Reserve, and Civilian) suicides and suicide attempts were entered into DoD Suicide Event Report (DoDSER) IAW AFI 90-505.

8. Suicide Prevention/ Mental Health (19-28)

- For JB MDL, suicide stats are remaining constant for all branches.
- Currently challenges include no unified single reporting system, no access to quarterly DoD rates, and limited tracking system for DoD civilian suicides.
- 1st Qtr CY 14 Psychiatric hospitalizations are higher than the previous 2013 Qtr.
- As of 1 April, Air Force has 12 Inpt and 8 PHP. Army is following with 8 Inpt and 3 PHP. Navy and Marine each have 2 Inpt.
